

## Board Member

Momo Movement is shaping how disability is felt, perceived, understood, experienced, hailed and resounded through dance classes for youth and adults, performance and community programming. By working individually, Momo innovates one size fits one training by offering programs that are highly collaborative and participatory. During our classes we consider the needs of each individual in the room and structure the class to inspire participants to explore how their body can move.

As a part of Momo Movement Board of Directors, you will have the opportunity to engage with the staff of Momo and offer valuable input and strategic direction that will support the many essential services Momo provides its participants and the community at large.

The role of the Board of Directors is to further Momo's vision and mission by establishing organizational direction and monitoring progress.

As a member of the Momo's Board of Directors, you will be responsible for:

### BOARD RESPONSIBILITIES

- Providing strategic and generative leadership
- Ensuring the organization's financial viability and sustainability
- Developing policy framework that guides operations
- Employing and evaluating the performance of the President & General Manager
- Participating in the development of resources
- Being knowledgeable about the organization's values, mission, programs and performance
- Establishing the annual committee structure required to execute the Board work plan
- Being an ambassador for the organization and promoting its work in the community

To carry out these responsibilities, the Board usually meets 9 months of the year. In addition to attendance at Board meetings, you will be required to participate on one of four working committees that also meet monthly. Preparation for Board and committee meetings is essential and should be factored into the overall time commitment expected from Board members.

Momo Movement is seeking individuals with the following qualifications to join the Board:

### QUALIFICATIONS

- Passion for volunteerism
- Past voluntary committee or board experience (organizational or community)

- Competence in any of several key areas including: arts administration and management, leadership resource development, finance, human resources, legal, communications, governance, diversity, community/volunteerism, and strategic planning
- Interest in learning about governance, volunteerism, community development and capacity building
- Able to work effectively within a team
